

VET IN SCHOOLS (VETiS)

LOOKING AT A CAREER IN PLUMBING?

AGA provides students the fundamental skills they need to start their trade career!

CERTIFICATE II IN PLUMBING (PRE-APPRENTICESHIP)

- ★ **COURSE TYPE: VETiS**
- 🔍 **COURSE CODE: 22138VIC**
- 🕒 **NOMINAL HOURS: 478**
- 📅 **DURATION: 2 years part time whilst at school**

Course Description

The Certificate II in Plumbing (VETiS) prepares graduates with the skills and knowledge for entry level into an apprenticeship within the plumbing industry. This course has a range of units that introduce the learner to basic skills and knowledge that underpin the Certificate III in Plumbing whilst at school including:

- ▲ Maintain safe working conditions
- ▲ Provide basic emergency life support
- ▲ Select and use plumbing tools, equipment and materials
- ▲ Locate, interpret and apply relevant information
- ▲ Work effectively with others
- ▲ Communication skills
- ▲ Follow instructions in a designated sequence
- ▲ Use appropriate manual handling procedures
- ▲ Produce technical drawings
- ▲ Numeracy and calculations
- ▲ Principles of sustainability
- ▲ Methods and strategies to identify employment
- ▲ Opportunities in the plumbing industry

This course offers partial credits towards a range of competency standards, if you subsequently go on to secure an apprenticeship in Plumbing.

Opportunities

Plumbing is a popular trade. Salary and employment prospects are excellent and there is always the possibility to run and operate a business one day.

Entry requirements

It is recommended that the participants have basic communication, literacy, numeracy skills that are sufficiently well developed for them to participate in the training. In order to apply, students need to be currently completing VCE or VCAL.

Recognition of Prior Learning (RPL) and Credit Transfer

If you have skills or knowledge gained through previous study or relevant experience, you may be eligible for Recognition of Prior Learning and/or Credit Transfer which reduces the amount of training needed to complete the course. These will be discussed with you during your pre-training review.

Course Content Hours

CPCCOHS1001A	Work safely in the construction industry	6
CPCCOHS2001A	Apply OHS requirements policies and procedures in the construction industry	20
VU20526	Use basic plumbing hand tools	50
HLTAID002	Provide basic emergency life support	8
CPCPCM2002A	Carry out interactive workplace communication	10
CPCCCM1005A	Carry out measurements and calculations	20
VU20531	Apply basic sheet metal practices	50
VU20528	Perform basic oxy-acetylene welding and cutting	20
VU20533	Cut and penetrate building materials and structures	30
CUVACD303A	Produce technical drawings	50
VU20532	Fabricate simple plumbing pipe systems	30
VU20534	Identify career pathways in the plumbing industry	30
VU20527	Use basic power tools	20
BSBWRT301A	Write simple documents	30
CPCCCM2001A	Read and interpret plans and specifications	36
VU20530	Use plumbing pipes fittings and fixtures to simulate plumbing installations	30
VU20529	Use electric welding equipment and techniques	20
CPCCCM1002A	Work effectively & sustainably in the construction industry	20
CPCCCM2006A	Apply basic levelling procedures	8

AGA is a not-for-profit Group Training organisation (GTO) and Registered Training Organisation (RTO) that provides employment, placement, trade training and support services to apprentices, trainees, students and businesses. During your apprenticeship you will be assigned a dedicated Field Officer to support you. Field Officers are known for their trade experience and extensive exposure across a wide range of industries.

AGA's training centres have highly qualified Instructors who are industry professionals and experienced mentors. Students at AGA receive the practical experience with some of Australia's finest tradespeople.
